

REMARKS

The Notice to File Corrected Application Papers issued on 12 December 2010 indicated that the Specification must be amended to include a brief description of all drawings in the application. Thus, the Specification has been amended to add a brief description of FIGS. 3-6. The amendments to the Specification reflect material that would be apparent to one of ordinary skill in the art in light of the present application. Thus, no new matter should be considered to have been added. Moreover, Applicant's representative respectfully submits that the application is now in condition for issuance.

CONCLUSION

In view of the foregoing remarks, Applicant respectfully submits that the present application is in condition for issuance. Applicant respectfully requests issuance of this application.

Please charge any deficiency or credit any overpayment in the fees for this amendment to our Deposit Account No. 20-0090.

Respectfully submitted,

Date 8 February 2011
